LIFE SKILLS.

Hancock County 4-H Happenings

2017

Progressive Ag Safety Day

While not everyone lives on a farm, we are a rural community. According to the National Children's Center for Rural and Agricultural Health and Safety, every 3 days a child dies and every day 33 children are injured in agriculture related accidents. The Hancock County Cooperative Extension Service is sponsoring a Progressive Agricultural Safety Day for all 4th and 5th grade students Friday, May 5th. We will spend the day at the Fairgrounds learning about ATV safety, water safety, electrical safety and more.

Thank you to all the presenters, volunteers, sponsors, NHES, SHES, 4-H and FFA members who are working together for this event. Watch the Clarion for more details.

Camp Mustang

NHES Camp Mustang is June 12-15th for incoming 4th and 5th graders and is FUN! Make sure to sign up—this camp is sponsored by Kidz Quest, 4-H, and Community Education.
